

Be Vigilant

THE HYDERABAD PUBLIC SCHOOL®

Ramanthapur, Hyderabad

Dr. S. Narasimha Reddy

Principal

Dated: 30th April, 2020

Dear Parent,

Hope you are safe and doing good.

At the outset, I would like to thank each one of you for rising to the occasion during this time of crisis and supporting your child for online teaching. Needless to say that the pandemic has transformed the existing teaching methodology to one driven by technology. Our teachers and students embraced technology as quickly as was needed and kept the curriculum going during the lockdown.

As per the decision, we are closing today for the summer vacation, a much needed respite for students, teachers and parents alike and shall resume classes as per the directions of the Government.

It is yet uncertain what the impact of COVID-19 on schools would be after the vacation. No doubt the circumstances will change and coping with them would be a great challenge for all of us. We have to be prepared to gear up to deal with unprecedented situation that will emerge out of new circumstances. The world as we knew so far may cease to exist and a new normal like social distancing, frequent sanitization and wearing masks might become a part of our daily lives for some time to come.

HPS is always committed for all round development of students. Perhaps, the existing class room pedagogical methods would have to be integrated with online teaching models to develop a new blended teaching model to adopt with the new challenge. Of course, CBSE, NCERT and various government agencies are working on this subject. Let's hope for the best.

I am confident that our endeavours will go a long way in providing the required learning facilities to the students in the present scenario.

May God bless this school and all who herein dwell. Stay home, stay safe.

Best Wishes...

DR. NARSIMHA REDDY
